Importance: Normal

To Del Webb/Grand Canyon High Adventure Parents and Scouts:

We won the Grand Canyon Lottery for both crews!!!

Mr. Rose and I are really excited, and Mr. Rose indicated he will now celebrate by going out and buying a set of blindfolds (to better navigate the cliff-side trails).

The dates are not ideal, but close. This is how it tentatively breaks down:

At the moment, the tentative departure date from BWI is Saturday, July 24, 2004

Long hike crew: [Andy, Kyle, William, Lenny, Rose, Pierce]

Leave Del Webb one day early, camp at North Rim 7/29

Enter Grand Canyon 7/30

Exit Grand Canyon, camp South Rim 8/5

Las Vegas 8/6

Fly home **8/7**

Short hike crew: [Carlton, Steve, Greg, Adam, Klein, Evans]

Leave Del Webb, camp at North Rim 7/30

Enter Grand Canyon 7/31

Exit Grand Canyon, camp South Rim 8/3

Las Vegas 8/4

Fly home **8/5**

There is one more lottery to win: Zion Canyon's Subway Slot Canyon. However, that lottery will not affect departure or return dates.

With our dates basically set, planning by both the Scouts and the parents can recommence. I will send out some ideas soon.
