

Get bags together, and write on your computer or by hand a short explanation of who you are, that you are with Pack or Troop 255, and that this Scouting for Food effort will help the hungry of Montgomery County.

Attach your bag and your note to the doorknob of neighbors' homes (between Saturday, November 7th, and perhaps Thursday, November 12th), and inform them when you will be picking up the nonperishable food – in boxes or cans, no glass.

Bring filled bags to the Leland Community Center between 10 and 12 on Saturday, November 14th. (usually you will pick up the bags from your neighbors on the morning of November 14th.)

Any questions, call Danny Condon at 301-652-4269.

It's a fact: 1 in 4 Montgomery County residents are at risk of hunger.
